OREGON

In Oregon, there were 12,164 homeless persons on a given night in January 2014. As the figure shows, 4,122 of them were in the Oregon Balance of State CoC, 3,927 were in the Portland-Gresham-Multnomah County CoC, 1,767 were in the Eugene/Springfield/Lane County CoC, 625 were in the Medford/Ashland/Jackson County CoC, 618 were in the Clackamas County CoC, 568 were in the Central Oregon CoC, and 537 were in the Hillsboro/Beaverton/Washington County CoC. There were 232 children alone, 4,176 persons in households with children, 886 young adults ages 18 to 24 alone, and 6,870 adults ages 24 and older alone. Fortynine percent of the homeless persons in Oregon were without shelter.

Children Alone

Of the 232 children alone, 34 percent were in the Portland-Gresham-Multnomah County CoC, 28 percent were in the Oregon Balance of State CoC, 14 percent were in the Eugene/Springfield/Lane County CoC, 9 percent were in the Central Oregon CoC, 6 percent were in the Medford/Ashland/Jackson County CoC, 4 percent were in the Clackamas County CoC, and 1 percent were in the Hillsboro/Beaverton/Washington County CoC.

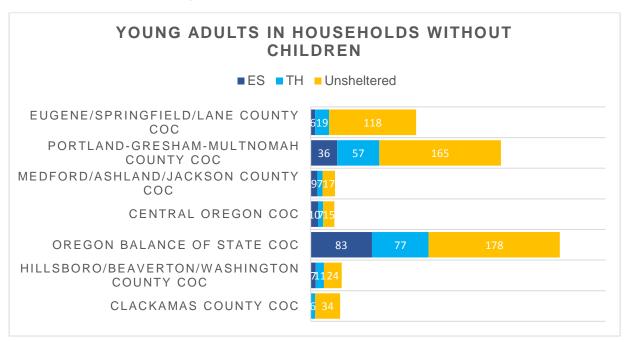

Forty-nine percent of the children living alone in Oregon were without shelter. Although there were 115 children without shelter, the Housing Inventory Count reports 73 to 75 youth beds available for children alone. When evaluating the number of beds needed in each CoC, a total of 41 to 43 additional beds are needed for children living alone.

Continuum of Care	Children Alone Without Shelter	Emergency Shelter Youth Beds Available for Children Alone	Transitional Housing Youth Beds Available for Children Alone	Permanent Supportive Housing Beds Available for Children Alone	Additional Beds Needed for Children Alone

Young Adults Alone

Of the 886 young adults living alone in Oregon, 151 were in emergency shelters, 184 were in transitional housing, and 551 were without shelter. Thirty-eight percent of the young adults were living in the Oregon Balance of State CoC, 29 percent were living in the Portland-Gresham-Multnomah County CoC, 16 percent were living in the Eugene/Springfield/Lane County CoC, 4 percent were living in the Hillsboro/Beaverton/Washington County CoC and the Clackamas County CoC, and 3 percent were living in the Medford/Ashland/Jackson County CoC and the Central Oregon CoC.

Sixty-two percent of the young adults were without shelter. Thirty-two percent of the young adults without shelter were in the Oregon Balance of State CoC, 29 percent were in the Portland-Gresham-Multnomah County CoC, 21 percent were in the Eugene/Springfield/Lane County CoC, 6 percent were in the Clackamas County CoC, 4 percent were in the Hillsboro/Beaverton/Washington County CoC, 3 percent were in the Medford/Ashland/Jackson County CoC, and 2 percent were in the Central Oregon CoC.

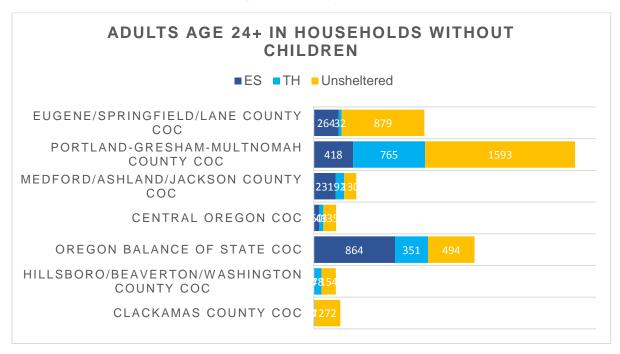

Although 551 young adults were without shelter in Oregon, the Housing Inventory Count reports only 58 to 59 youth beds were available for young adults alone. When evaluating the number of beds needed in each CoC, a total of 492 to 493 additional beds are needed for young adults alone without shelter in Oregon.

Adults Alone

Of the 6,870 adults age 24 and older living in households without children in Oregon, 1,845 were in emergency shelters, 1,368 were in transitional housing, and 3,657 were without shelter. Forty percent of the adults age 24 and older were located in the Portland-Gresham-Multnomah County CoC, 24 percent were in the Oregon Balance of State CoC, 17 percent were in the Eugene/Springfield/Lane County CoC, 6 percent were in the Medford/Ashland/Jackson County CoC, 4 percent were in the Clackamas County CoC, and 3 percent were in the Central Oregon CoC and the Hillsboro/Beaverton/Washington County CoC.

Fifty-three percent of the adult individuals were without shelter. Forty-three percent of the adult individuals without shelter were in the Portland-Gresham-Multnomah County CoC, 24 percent were in the Eugene/Springfield/Lane County CoC, 13 percent were in the Oregon Balance of State CoC, 7 percent were in the Clackamas County CoC, 4 percent were in the Hillsboro/Beaverton/Washington County CoC, and 3 percent were in the Medford/Ashland/Jackson County CoC and the Central Oregon CoC.

Although 3,657 adult individuals were without shelter in Oregon, the Housing Inventory Count reports only 790 to 1,095 beds were available for adult individuals age 24 and older. A total of 515 to 833 additional beds are needed for adult individuals without shelter. When evaluating the number of beds needed in each CoC, a total of 2,668 to 2,815 additional beds are needed for adult individuals in Oregon.

Families With Children

Of the 4,176 homeless adults and children living together in families in Oregon, 688 were in emergency shelters, 1,748 were in transitional housing, and 1,740 were without shelter. Forty-eight percent of the persons in households with children were living in the Oregon Balance of State CoC, 19 percent were living in the Portland-Gresham-Multnomah County CoC, 9 percent were living in the Eugene/Springfield/Lane County CoC, 6 percent were living in the Central Oregon CoC, Hillsboro/Beaverton/Washington County CoC, and the Clackamas County CoC, and 2 percent were living in the Medford/Ashland/Jackson County CoC.

Although 1,740 adult and children were living together in families without shelter in Oregon, the Housing Inventory Count reports 660 to 936 beds were available and not all of these beds may have been in available units. When evaluating the number of beds needed in each CoC, a total of 808 to 1,080 additional beds are needed for adults and children in families.

Homeless Populations

In Oregon, 22 percent of the 12,164 persons homeless on a given night in January 2014 were chronically homeless. Also, 16 percent were characterized as severely mentally ill and 18 percent were characterized as having chronic substance abuse. Veterans comprised 10 percent of the homeless population, domestic violence survivors comprised 14 percent of the homeless population, and persons with HIV/AIDS comprised 0.2 percent of the homeless population.

Chronically Homeless Persons

Of the 12,164 homeless people in Oregon, 2,695 were chronically homeless. Seventy-eight percent of the chronically homeless persons were without shelter: 1,702 individuals and 416 persons in families.

Fifty-two percent of the chronically homeless individuals without shelter were in the Portland-Gresham-Multnomah County CoC, 14 percent were in the Eugene/Springfield/Lane County CoC, 13 percent were in the Oregon Balance of State CoC, 7 percent were in the Clackamas County CoC, 5 percent were in the Hillsboro/Beaverton/Washington County CoC, and 3 percent were in the Medford/Ashland/Jackson County CoC and the Central Oregon CoC. The Housing Inventory Count reports between 474 and 607 rapid rehousing, transitional housing, permanent housing, and safe have beds were available for households without children. When evaluating the number of beds needed in each CoC, a total of 1,194 to 1,234 more transitional housing, permanent housing, and rapid-rehousing beds are needed for chronically homeless individuals.

Domestic Violence Survivors

Of the 12,164 homeless people in Oregon, 1,807 were escaping domestic violence. Thirty-seven percent of the domestic violence survivors (684 individuals) were without shelter.

Forty-four percent of the domestic violence survivors without shelter were in the Portland-Gresham-Multnomah County CoC, 19 percent were in the Oregon Balance of State CoC, 14 percent were in the Eugene/Springfield/Lane County CoC, 9 percent were in the Clackamas County CoC, 4 percent were in the Medford/Ashland/Jackson County CoC, and 3 percent were in the Central Oregon CoC and the Hillsboro/Beaverton/Washington County CoC. The Housing Inventory Count reports between 8 and 66 domestic violence and rapid rehousing beds for households without children and between 107 and 161 domestic violence and rapid rehousing beds for households with children. Depending on the number of beds in available units, between 457 and 560 more beds may be needed for adults and children escaping domestic violence in Oregon. With only 8 to 57 of the domestic violence beds available for adult individuals, additional domestic violence beds may be needed in all three of the continuum of care areas.

Conclusion

In Oregon, there were 12,164 homeless persons and 6,063 persons without shelter. At least 41 to 43 additional beds are needed for children living alone without shelter, 492 to 493 additional beds are needed for young adults alone without shelter, 2,668 to 2,815 additional beds are needed for adult individuals without shelter, and 808 to 1,080 additional beds are needed for adults and children in families without shelter. At least 1,194 to 1,234 additional beds are needed for chronically homeless individuals, 160 to 162 additional beds are needed for chronically homeless persons in families, and 457 to 560 additional domestic violence beds are needed. Additional shelters or beds are needed in all 7 Oregon CoCs.
